Overview

Haven Hotel Rotterdam, Curio Collection by Hilton is a 5-star lifestyle hotel on the historic Leuvehaven in the centre of Rotterdam — the first Curio Collection property in the Netherlands, opened in 2025 on the site of the former Mainport hotel. Its design draws on the city's maritime history and it looks out over the water towards the Erasmus Bridge, within walking distance of the Maritime Museum, the Markthal and the main shopping streets. Seven meeting rooms with floor-to-ceiling windows over the Leuvehaven are built around a 500 m² divisible plenary that seats up to 400 guests, with its own bar and adjacent kitchen. The hotel shares wellness facilities and part of its conference inventory with the connected DoubleTree by Hilton Rotterdam Centre, giving groups access to roughly 480 guest rooms and over 1,000 m² of combined event space across the two properties.
