About us

- **Full-service event management** from concept development to on-site execution, fully aligned with your business objectives
- **Strategic guidance and creative concepts**, including logistics, program design, supplier coordination and budget control
- **Trusted network of premium partners** for entertainment, technical production, VIP and hospitality services
- **Founder & Managing Director Wouter Klaase:** experienced international event specialist with strong commercial focus and hands-on approach
- **Reliable partner for corporate events, incentives and MICE**, known for delivering seamless, high-quality and impactful programs

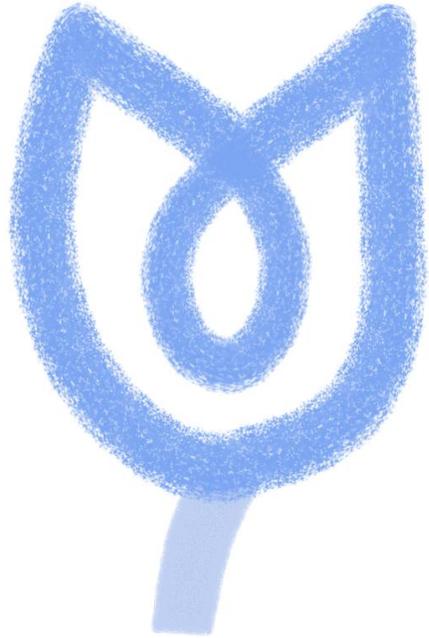

FOUNDER

Wouter Klaase is a driven sales leader and entrepreneur with extensive experience in international events and destination management.

As Managing Director and senior event specialist, he combines commercial focus with hands-on execution to deliver high-quality corporate events, incentives and MICE programs.

He excels in building strong client relationships, developing growth strategies and leading teams with clarity and energy. With deep knowledge of the Dutch event landscape and a strong network, Wouter consistently delivers tailored, seamless programs ranging from conferences to exclusive incentive experiences

Recognized for his professionalism and ability to turn ideas into results, Wouter is a reliable partner for organizations seeking impactful and well-executed event solutions.

Vision

Holland DMC Partners aims to be the leading boutique DMC in the Netherlands, recognized for its professionalism, flexibility and local know-how.

Our vision is to create meaningful, well-organized and sustainable experiences that add real value to every program, while building long-term partnerships based on trust, transparency and consistently high service standards.

Mission

Holland DMC Partners' mission is to deliver seamless, high-quality destination management services across the Netherlands by combining deep local expertise with a personalized, hands-on approach.

We support international clients, agencies and corporate organizers with reliable planning, creative solutions and flawless on-site execution for meetings, incentives, events and group travel.

Accommodation sourcing

Holland DMC Partners provides expert support for group accommodation and conference hotel bookings across the Netherlands.

By using local market knowledge, we ensure all requirements are met, including location, capacity, regulations, accessibility and logistical considerations, delivering the right hotel solution for meetings, incentives and events.

Venue finding

A personalized, full-service approach offers direct access to local experts who understand the destination in detail and act as an extension of your team.

Unlike global venue finders, this approach goes beyond databases and volume-driven sourcing, providing tailored advice, hands-on coordination, on-site support and continuous involvement from initial concept through execution

Our structured approach

Step 1	Step 2	Step 3	Step 4
<p>Our finding service begins with a focused consultation to understand your group size, program requirements and priorities.</p>	<p>Using our strong local network, Holland DMC Partners conducts a targeted search based on your group requirements.</p>	<p>After the shortlist is approved, we (coordinate site inspections and) provide expert local insight on facilities, location and suitability.</p>	<p>Once your preferred location is chosen, Holland DMC Partners manages all negotiations and contracting on your behalf.</p>

Transportation

We know how to get you where you need to go in a comfortable but discreet way.

Drivers are professional, know their way around and speak English.

Full electric vehicles or vehicles with bio fuels are part of our portfolio

We are experts in local transportation rules and will provide you with the correct mode of transportation

Dinner arrangements

Holland DMC Partners is happy to organize memorable group dinners for every occasion, from informal gatherings to formal corporate events.

With extensive local knowledge and a strong network of restaurants and venues, we accommodate all dietary requirements, preferences and cultural needs, ensuring a seamless dining experience tailored to your group in the Netherlands.

Informational visits

Holland DMC Partners specializes in organizing educational and informational trips to the Netherlands for universities, academic institutions and businesses seeking to learn, exchange knowledge and connect with Dutch organizations.

Staff

Our event staffing services include multilingual hosts and hostesses, registration staff, event coordinators, production assistants, crew members and on-site managers.

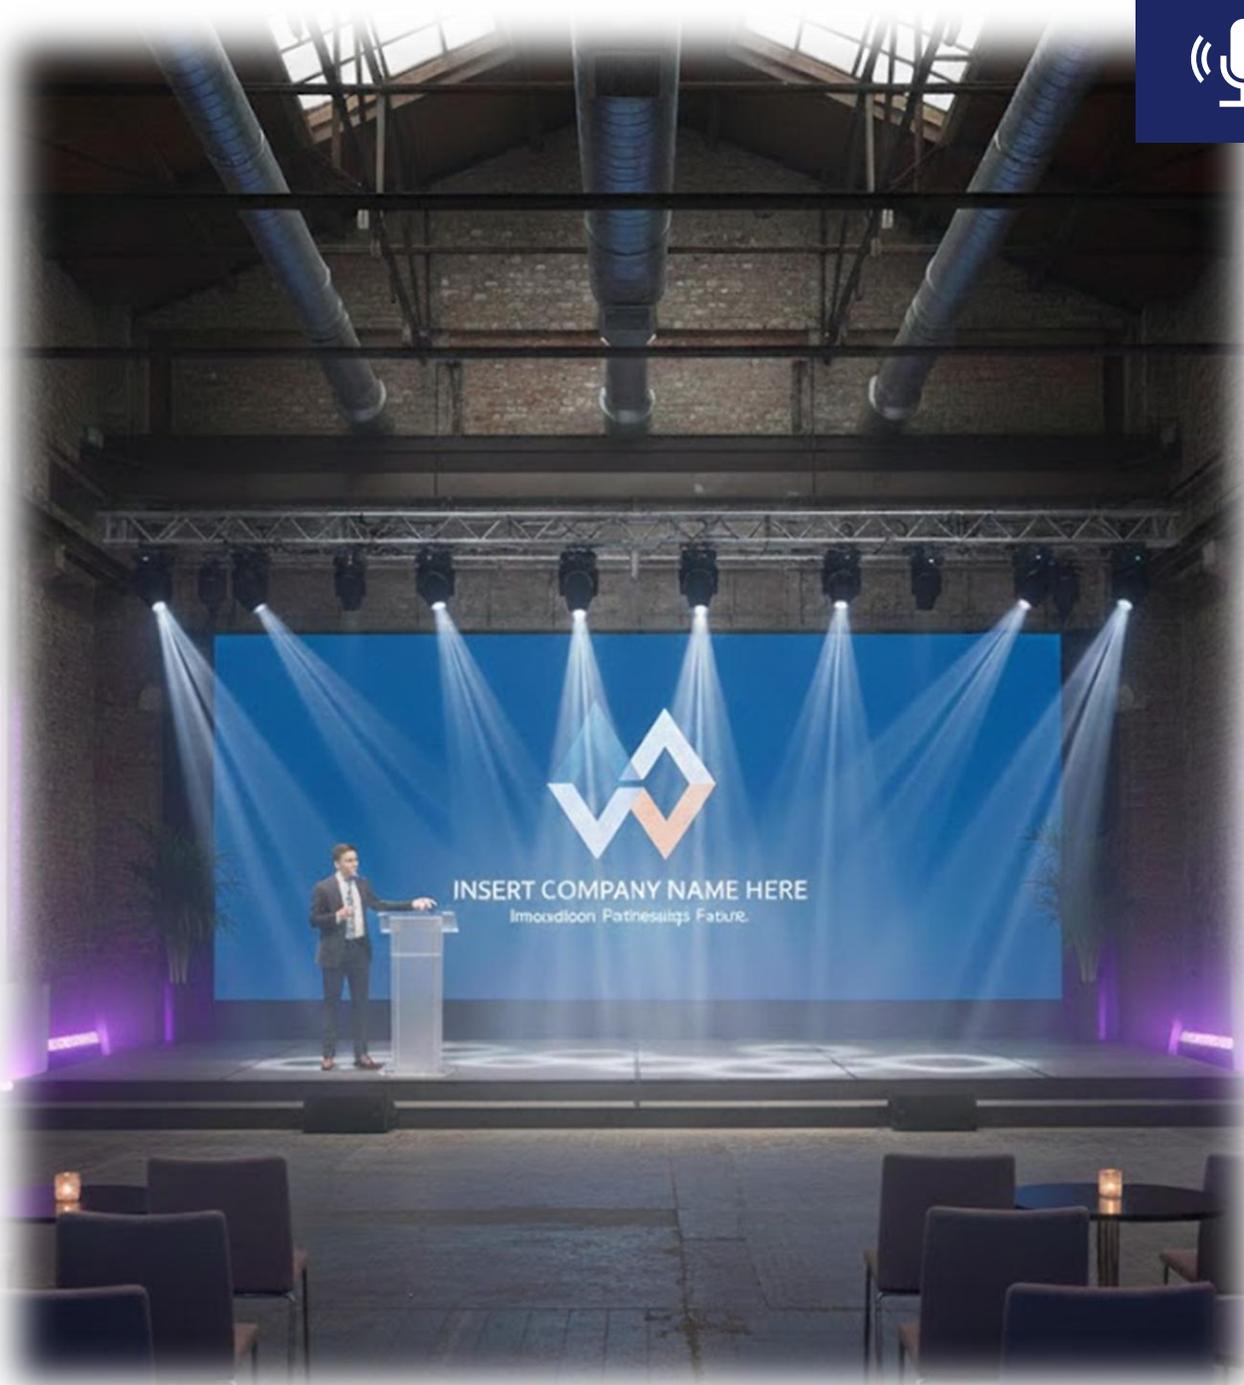

Each team member is carefully selected based on your event requirements, brand values and audience profile, ensuring a professional appearance and seamless guest experience.

AV Support

Professional AV support for conferences, presentations and hybrid events. Holland DMC Partners delivers the right technical setup and designs impactful stages to elevate your event experience.
