MEET WITH Purpose

IMPACTFUL REPORTING

Our LightStay Meeting Impact Calculator report generates a customized estimate of your event's environmental impact, using the hotel's consumption data to project the total carbon emissions, energy use, water, and waste for your event.

MEET WITH PURPOSE CHECKLIST

Hilton's signature Meet with Purpose Checklist outlines easy-to-implement opportunities to reduce your event's environmental impact while boosting its social impact.

APPLY CARBON OFFSET CREDITS

Request that the offer be applied to your next meeting or event contract that has a minimum of 10 rooms on peak. Hilton will offset your event's carbon emissions as identified by the Meeting Impact Calculator report and will invest in a portfolio of high-quality carbon reduction projects with our partner, ClimeCo..

ENVIRONMENTAL SOCIAL GOVERNANCE

BUILDING A BETTER FUTURE *Together*

Embracing ESG principles for sustainable growth

At Hilton The Hague, we are committed to operating in a sustainable and responsible manner. We understand the importance of environmental, social, and governance principles and the impact they have on our business, our guests, and the world around us. As such, we have implemented a range of practices that align with these principles, including reducing our energy consumption, sourcing sustainable products, and supporting local communities.

Environmental

WATTS

ENERGY CHAMPION

We appointed an Energy Champion who is responsible for creating awareness and sharing best practices for energy conservation.

ENERGY EFFICIENCY

We are maximizing our energy efficiency by regulating temperatures and adjusting technical installations with our Building Management System.

CITY HEATING

Since the opening of the hotel in 2010 we are connected to the city heating water grid that uses geothermal energy to heat the hotel & the water within.

WATER

WATER REDUCTION IN SHOWERS

55%

We have installed water-saving faucets in all our sinks which reduce water consumption by 55%.

35%

WATER REDUCED IN SINKS

All of our showers are now equipped with low-flow shower heads that effectively decrease water usage by 35%

WASTE

USE OF BULK-SIZE AMENITIES

Single-use toiletries have been replaced with bulk dispensers in all our guest rooms

BRITA WATER STATIONS

We replaced individual bottled water in the restaurant & meeting areas with our own filtered & tapped water

FOOD WASTE

We track our food waste through "Winnow" and partnered with "To Good To Go" to reduce our breakfast waste

Social

CAREERS

We are committed to hiring at least one differently abled team member within 2024 in partnership with the municipality's work and development company "Den Haag Werkt".

COMMUNITIES

Local partnerships such as with Ronald McDonald House, where we regularly go to provide support and we participated in their annual Home Run event, to raise funds for the Ronald McDonald children. Since 2020 it is a national event for Hilton.

CONDUCT

Educating our team members on our environmental and social goals with trainings such as Preventing Human Trafficking and Hilton's ESG strategy 'Travel with Purpose'

Governance

GOLDEN GREEN KEY

This international eco-label awarded to establishments that meet rigorous criteria in areas such as energy and water conservation, waste management, and sustainable operations. This highlights our commitment to sustainability and environmental responsibility.

PARTNERSHIPS

We prioritize sustainability through partnerships with Renewi for waste recycling and ClimeCo for carbon offsetting. Our suppliers, Van Gelder and Bakkerij Bartels, support local produce and eco-friendly packaging. We ensure animal welfare by using free-range eggs and serving pork with a 1-star "Beter Leven" mark.

LIGHT STAY

Since 2009, Hilton has used LightStay, our award-winning corporate responsibility management platform, to measure and manage our environmental and social impact across our global portfolio of managed and franchised hotels.
